

3M Solus 1000 Safety Glasses, Green/Black frame, Scotchgard Anti-Fog / Anti-Scratch Coating, Clear Lens,

Model : S1201SGAF-EU

Product Details

- Removable sides
- Soft nose bridge
- Optional elastic headband
- Pleasantly soft, rubberized side ends for greater comfort
- Ventilated, removable foam seal better protects the eye
- Excellent protection against UV radiation

3M Scotchgard Anti-Fog Coating provides superior anti-fog and anti-scratch properties, complying with K&N marking requirements of EN166.

3M Solus Safety Glasses 1000 Series have a slim frame with colour accented soft temple components for a stylish and modern look. A fogged lens can be frustrating and dangerous. 3M Scotchgard Anti-Fog Coating resists fogging longer than traditional anti-fog coatings, even after washing multiple times. Try 3M Solus Safety Glasses 1000 Series with 3M Scotchgard Anti-Fog Coating and see clearly, longer.
